1. p. iii: Remove the “at College Station” in the preliminary lines. And perhaps for visual purposes, simply move “M.Ed., Texas A&M University” down to the next line.
2. p. 25: Move the subheading at the bottom of the page down to the top of p. 26.
3. p. 46: Insert a period at the end of the last line of text.
4. p. 55: Indent the fourth line down. (If it is a subheading format it the way it should be.)
5. p. 6, subheading: Capitalize “That” and “May.”
6. p. 77, subheading at top: Capitalize “This.”

Almost done! ☺
